

Transformation of Religious Life in North America: An Action-Oriented Initiative

What is it? A first gathering of women and men religious committed to the ongoing transformation of Religious Life in North America. Phases II and III will follow in 2012 and 2013.

For whom is it? Congregational members committed to shaping the future of a prophetic Religious Life, including elected leaders, formators, and newer finally professed members.

Focus: Developing awareness, resources and capacity for individual and communal transformation.

Objective: To assist congregational members in various roles to assume responsibility for animating communal openness and movement towards transformation - in the service of shaping prophetic Religious Life for the future.

How: Through evocative presentations and facilitated processes.
